Bodytype	Berline
State	2nd hand
1st registration	09/2000
Mileage	75785 km
Fuel	Gasoline
Color	Blue
Interior	Beige Leather

Info

A rare opportunity to acquire one of the last Bentleys powered by the legendary 6.75-litre V8. Introduced in 2000, the Arnage Red Label marked the return of Bentley's iconic large-displacement engine, delivering around 835 Nm of torque and the renowned "wave of torque" that propels this imposing luxury saloon with effortless authority. Hand-built in Crewe, it offers a level of presence, refinement and comfort that few automobiles can match.

This example is finished in a deep dark blue exterior over a light beige leather interior with blue accents and beautifully crafted burr walnut veneers. First registered on 15 September 2000, it has covered a documented and remarkably low 47,368 miles (approximately 76,200 km).

The car was purchased from a renowned British Rolls-Royce and Bentley specialist and subsequently imported by our client. Prior to export, approximately £35,000 was invested in maintenance and inspection work, fully documented by invoices. It is presented in exceptional condition and is ready to provide many years and miles of effortless motoring.
